## Natyaacharya Anitha Guha's Bharathanjali For IPAC2021

Guru "Kalaimamani" Anitha Guha is honoured to be a part of IPAC2021- Indian Performing Arts Convention organised by Apsaras Arts (Singapore). She has been invited to conduct the Bharatanatyam Foundation Master Class which is set to take place during the first two weekends of September 2021 (yesterday 4th, today 5th, 11th & 12th).

Guru Anitha Guha is thankful to Sri Aravinth Kumarasamy for extending his warm invitation.

Her senior students Sathvikaa Shankar from Singapore and Smrithi K Vishwanath from Chennai will be assisting her to conduct the workshop. Guru Anitha Guha is set to teach a beautiful excerpt from her Nrithya Natakam 'Hare Rama Hare Krishna' wherein 3 Famous Compositions of Sri Oothukadu venkata subbaiyer have been interspersed and have been set in the format of a conversation between

Yashoda, Krishna and the Gopi's of Brindhavan who run to complain to Yashoda about the never ending tantrums of Sri Krishna.

Guru Anitha Guha is always grateful to her Music Guru Smt.B Meenakshi and faculty of Anitha Guha's Bharathanjali Dr PR Venkatasubramanian, both disciples of Needamangalam Krishna moorthy Bhagavathar (a great exponent in Oothukadu venkatasubbaiyer's compositions) for guiding her.

## S.SRUUTHI AS LORD KRISHNA AND AS MOTHER YASHODA

On Monday, August 30 when everyone across the globe were celebrating Gokulashtami, an annual festival that celebrates the Birth of Lord Krishna, the 8th Avatar of Lord Vishnu, "Kalai Ilamani" S.Sruuthi went down her memory lane when she had played the role of Lord Krishna during her School Anniversary Celebrations and as Mother Yashoda that was posted on her Instagram page and Youtube Channel. When S.Sruuthi had played the role of Krishna, she had portrayed Krishna as a Friend, Philosopher and Guide to Arjuna during

the Kurukshetra War. We all know that Krishna had shared the most valuable thoughts with Arjuna that we call the Sacred Bhagavad Gita. S.Sruuthi shares that her most favourite part of the Epic is the incident of Krishna reciting the Bhagavad Gita and it was

a dream come true for her to have lively enacted the very same role in front of a jam packed audience for four continuous evenings at Kamaraj Memorial Hall!

Mother's love for her children is selfless. They hold a special place in child's heart and their relationship is so pure that it cannot be described in words.

The perfect example of mother and child bond is, the Divine relationship between Yashoda and Krishna. As we all know she was the foster mother of Lord Krishna but she is revered more than his

biological mother.

As a part of last year's Janmashtami Celebrations S.Sruuthi had decided to post a dance video on her social media handle that projects the divine love given by her as Yashoda to Krishna who initially was known for his childish pranks but later on poured his unconditional love to her.

Even though Lord Krishna in his childhood was mischievous, his Bhagavad Gita is most revered across the globe. It teaches us a million lessons that is always relevant to us in our daily life.

## “AFFORDABLE HOME CARE IN CHENNAI”

As people age, their health starts falling slowly. Some may develop medical issues while others may witness a slow decline in the faculties and body vitals as age catches up. Sometimes, this may lead to medical emergencies. Medical emergencies do not give you advance intimation. Isn't that precisely why it is called an emergency?

So how can the elderly be equipped to deal with medical emergencies? It could happen at a time when nobody is home. Or, it could be that the old parents are living alone. It is important to foresee this situation and plan for it. If nothing unforeseen happens, it is great. God forbid, if an emergency arises, they will be prepared to deal with it. Being equipped and mentally prepared is winning half the battle.

Emergency preparedness Checklist for Seniors: Keep a list of emergency contacts. Stay calm. Keep your medicines well stocked. Ensure you have a medical insurance. Keep your medicines well stocked. Get professional home care. Ambulance assist and hospitalisation support. Care manager support. Post-Operative care.

Keep a list of emergency contacts: It is important to draw up a list of people they could contact in case of emergency. This would include doctors and

immediate family. These numbers should be saved on phone. It should also be written in big bold print and pinned up in every room. This could be life-saving because in an emergency nobody can afford to waste time looking for the right numbers. Any change in numbers should be updated immediately.

Care and Cure At Home has a helpline +91-9655691111 that you can contact around the clock. This is designed to help the elderly in Chennai to reach out in case of medical emergencies. As soon as the call is received, ambulance services and assistance services will be provided.

Keep your medicines well stocked: Elderly people may be taking several prescription drugs regularly for their ailments including tablets for blood pressure, blood sugar, heart etc. These need to be taken at the prescribed time and any miss or delay can cause problems that can even lead to medical emergencies. The caregiver needs to ensure that the medicines are stocked well in time and monitor their intake. It can be dangerous if the elderly forget to take their medications on time.

Care and Cure At Home provides home care services for the elderly. The home attendant can take care of their daily needs, monitor their health vitals, accompany them on doctor's visits, keep their

medicine box stocked, accompany them on walks and be a companion.

Get Professional Home Care: In case your parents are recuperating from an ailment or they need someone to take care of their needs since they cannot manage alone, it is best to look at professional home care options.

Care and Cure At Home provides trained caregivers who can handle all their needs in the comfort of their home. It is reassuring for the family as well so that they have the flexibility to go out and manage other responsibilities, reassured that their parents are being taken care of.

Care and Cure At Home provides ambulance assist services as an immediate response to an emergency call. They can render professional assistance in reaching the

patient to the hospital, arranging the admission and informing the family.

Post-Operative Care: Elderly people would need assistance to recuperate at home after a surgical procedure. It is best to provide them with medical home care services so that their needs can be handled professionally. Some major surgeries like hip or knee replacement or bypass surgery will require utmost professional care and nursing. It is better to leave this to 12/24 hour nurses who can manage the critical care under medical supervision.

Care and Cure At Home ensures that emergency services for the elderly are available to provide them with the support and care they need in times of medical emergency.
